### Why We Do What We Do...

For over 50 years, the mission of Fraser Lake Camp has been to provide "Camping With A Purpose" to a wide range of children and youth aged 8 to 16 years. Operated as a Christian camp with a Mennonite perspective, the purpose of our program is:

- To provide a quality and distinctly Christian overnight summer camp experience for boys and girls.
- Teach them outdoor skills.
- To learn to appreciate themselves, each other, and all of God's creation.

FLC is on a 257 acre wooded site east of Bancroft, Ontario – about 3 hours northeast of Toronto.

### Mature and Well Trained Staff...

We spend all year recruiting and training staff and volunteers who are carefully selected for their diverse abilities and their commitment to uphold FLC's mission. The cornerstone of our camp, they are the ones who provide an experience like no other for your child.

Our year-round management team is always busy creating a new summer full of exciting challenges and adventures for your children. Please feel free to contact the office with any questions or comments you may have.

### From Daybreak to Sundown...

Each camper gets to personally choose 3 activities to participate in each day. Our wide range of developmental programs include: Mountain biking, Wall climbing, Kayaking, Canoeing, Arts and Crafts, Drama, Sports, Acoustic guitar lessons, and more!

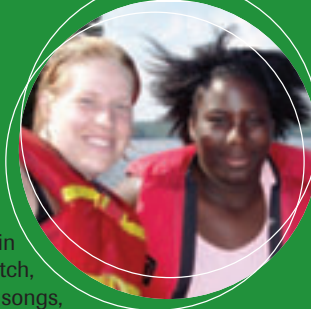

Besides these activities, the evening programs, cabin activities and special events are highlights. Morning Watch, Chapel and evening Campfires are times to learn new songs, reflect on what camp means and experience God's creation.

### Leaders In Training (LIT) – 15 year olds

Challenge yourself and test your limits. Our skilled and enthusiastic leaders have an extraordinary canoe trip waiting for you! Your excursion into Algonquin Park will challenge you as you canoe and portage several kilometres each day, cook your own meals, sleep under the stars, and learn to live and work as a team. While very demanding, this trip can be extremely rewarding as there is a lot of time for personal growth and reflection!

### Counsellors In Training (CIT) – 16 year olds

Candidates are carefully selected for this comprehensive training course. With a combination of behind the scenes training and hands-on experience, successful participants will be prepared to work at FLC for summers to come. Training is focused on team building, personal and spiritual growth, developing leadership skills, and learning to lead children. Please contact the office or our website to inquire about the C.I.T. application procedure.

### Boating, Baking and Best Friends...

**Fraser Lake** – A 500 acre lake perfect for our water activities, like kayaking, Red Cross swim lessons, canoeing, fishing and sailing.

**Kitchen** – Our kitchen staff love to create delicious meals! FLC is well known for fresh baked bread products that are prepared daily by our baker. Excellent, well-balanced and 'kid-friendly' meals are a tradition here and make meal times one of the highlights of camp.

**Cabin Groups** – Friendships that last a lifetime start in the cabin. Our cabins are designed to nurture those relationships. They house 8-12 campers with 2 counselors in each. The cabin group spends a lot of time together at meals, during cabin activity time, and on cookouts and overnights.
